PATENT

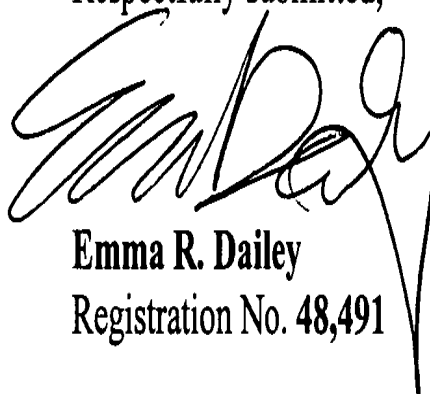

In the Specification

In the specification, please insert pages 1-2 of the sequence listing submitted herewith.

REMARKS

No new matter has been added. Applicants attach hereto the **“Version with Markings to Show Changes Made”**. Applicants respectfully submit that the claims presently before the Examiner patentably define the invention over the applied art and are otherwise in condition for ready allowance.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Emma R. Dailey', is written over the printed name and registration number.
